HANDLING INDICATOR

1968-8-7, Nasser, Health, Russia
TO AMMAN, BEIRUT, MOSCOW, CAIRO

FROM : Amembassy TEHRAN
DATE: August 7, 1968
SUBJECT : Nasser's Illness
REF :

When I asked Soviet Ambassador Yerefeev August 5 regarding the health of UAR President Nasser, he was evasive. He noted Nasser's diabetic history, but observed that the mountain resort where Nasser is convalescing is well-known for its treatment of rheumatism.

The Jordanian Ambassador observes that when an Arab father takes his children with him in a situation of this kind, it usually denotes a certain amount of gravity.
